

СПИСЪК

на цитиранията на научните публикации за участие в конкурса;
д-р инж. Радан Иванов Иванов

I. Цитирания в научни издания, реферирани и индексирани в световноизвестни бази данни с научна информация.

II. Цитирания в монографии и колективни томове с научно рецензиране.

17 бр. x 3 т. = 51 т.

4. Johnson R., **Ivanov R.**, Local effects of concentrated longitudinal shear in composite bridge beams, The Structural Engineer, Vol. 79, No 5, 2001, pp.19-23
