

СПИСЪК

на цитиранията на публикации с участие на
 гл.ас. д-р Деян Веселинов Лесигярски,
 представени за участие в конкурс за заемане на академична длъжност „доцент“ по
 професионално направление 4.4 Науки за Земята, за нуждите на секция „Земен
 магнетизъм“, НИГГГ-БАН, обявен в ДВ, брой 54 от 04.07.2025 г.

Заглавията на цитираните публикации и съответстващите им индекси са дадени в Таблица 3 на Справката за изпълнение на минималните изисквания за заемане на академична длъжност „доцент“ от Д. Лесигярски, както и в Списъка на предложените за рецензия публикации.

Цитирана публикация	Индекс на цитирането	Цитираща публикация
B4-1	Д11-1	Tan, C., Yu, B., Liu, C., Cao, Z., Bi, H., Jin, H., Yang, R. <i>Color origin and its sedimentary and paleoenvironmental significance of the Permian-Triassic strata in the Ordos Basin, China</i> . Interpretation 12 (1), pp. T29-T46, 2024
